Catholic Education Week

St. Thomas the Apostle CES

“Nurturing Hope”

May 3 – May 7, 2021

St. Thomas the Apostle
Catholic Elementary School

170 Skinner Road

Waterdown, Ontario

L8B 1C7

This year’s theme for Catholic Education Week is *“Nurturing Hope”*. We come together virtually as a community of faith, bathed in our Baptism, to bring the saving message of Jesus Christ into the lives of all those around us.

The sub-themes for Catholic Education Week are as follows:

Mon- Preparing the Earth

Tues- Sowing Seeds of Gratitude

Wed- Cultivating Relationships

Thurs- Harvesting New Fruit

Fri- Marveling in Wonder

Throughout the week, students will be engaged in learning and activities grounded in nurturing their faith through knowledge, prayer, joy, and service.

Students will be challenged to reflect on their Catholic faith and will experience how we as a community gather to celebrate our gift of faith.

Community is part of who we are as *Catholics*. As the staff of St. Thomas the Apostle CES, we appreciate the gift and responsibility of nurturing and guiding children as they grow in faith. We thank you, the parents/guardians for entrusting us with your most precious children.

God bless during these trying times.
