ST. THOMAS "WILDCATS" - JANUARY 2018

PRINCIPAL'S MESSAGE

On behalf of the staff of St. Thomas the Apostle Catholic Elementary School, this opportunity is taken to thank each of you for your generous donations and support of the Christmas initiatives that took place at school this year. Your generosity, support and kindness helped to make our Christmas season special and memorable. Countless families will have benefitted from your generosity and corporal acts of mercy. Best wishes at this time are extended to each of you for a new year filled with joy, health, hope and peace! The new year is God's gift and blessing to us. We welcome the days and weeks to come and look forward to the challenges and learning opportunities that the year brings. We strive to work in partnership with you to always make learning a successful and rewarding experience for your children. May God bless you throughout 2018.

A PRAYER for the NEW YEAR:

Dear Lord,
As we begin a new year,
We turn our thoughts to how we can
Touch and be touched, love and be loved,
Forgive and be forgiven, heal and be healed,
So that the goodness of our lives becomes
A shared blessing for others;
We ask that Your grace fill us
With the courage and conviction to
Be Merchants of Hope for those
With whom we live and work
And those we teach.
Amen.

SCHOOL LITURGY

On Tuesday, January 16, 2018, at 9:30 am we will celebrate the Eucharistic Adoration as a school community in our school gym. Please keep this date in mind and join us. We welcome our parish partners.

JUNIOR KINDERGARTEN REGISTRATION for 2018-2019 SCHOOL YEAR

Parents wishing to register their child in Junior Kindergarten (Kindergarten Year One) for September 2018 are asked to contact the school's Administrative Professional, Mrs. Rath, to make an appointment (905)523-2328. Mrs. Rath will schedule an appointment in February for you to visit the school, complete the necessary forms and submit the required documentation.

If your child is currently in Junior Kindergarten (Kindergarten Year One), you do **not** need to register him/her again.

Parents/guardians will need to provide:

- Baptismal Certificate
- Birth Certificate
- Proof of Residency
- Proof of up-to-date Immunization
- Immigration papers, if applicable

Age of Admission: Children are required to be 4 years of age on or before December 31, 2018.

VOLUNTEERING AT SCHOOL AND FOR TRIPS

Parents/guardians require a Vulnerable Sector Screening Form to volunteer or help with trips. You can get a letter from the office that will ensure a reduced rate. Once you receive the completed Vulnerable Sector Screening Form, please give it to the office staff to take a photocopy for Board records. If you have not completed any of the above for this school year, please contact Mrs. Rath for further direction. Your assistance with this process is greatly appreciated.

ATTENDANCE

Parents/guardians are thanked for using the system's online 'SchoolConnects' program for registering absences, late arrivals and early dismissals. Your collaboration has been tremendous. Thank you.

DRESSING FOR WINTER WEATHER

Winter is upon us! Please ensure that your child comes to school prepared for cold weather with a hat, mittens, scarf, boots and a warm coat. Snow pants are necessary if your child wishes to play in the snow-covered field. **Please label your child's clothing so that there is no confusion.** Also, ensure that your child has a pair of indoor shoes.

INCLEMENT WEATHER

When schools are closed or buses cancelled due to extreme weather conditions, details will be announced through the following Hamilton and area media outlets:

- 900 CHML/Country 95.3 FM/Y/108 FM
- 1150 CKOC/K-Lite 102.9 FM/820
- CHAM/WAVE 94.7 FM
- CH Morning Live (Channel 12)
- CBC Hamilton - www.cbc.ca/hamilton
- The Hamilton Spectator - www.thespec.com
- Twitter - <https://twitter.com/HWCDSB>
- Facebook - www.facebook.com

Parents/guardians should take notice of the following guidelines:

- In the event of impending severe weather conditions, parents should consider the

safety of their children in deciding whether or not to send them to school

- Parents should stay tuned to the Hamilton and area radio stations for weather reports and School Board announcements
- Parents, who in spite of bus cancellations, drive their children to school, should ensure that their children can get into the school and will be required to make the necessary arrangements for the safe return home of their children at the end of the day or in the event of an early closure. Buses which do not run in the morning will not run for the rest of the day.

FAMILY LITERACY DAY

Family Literacy Day is a national awareness initiative created by ABC Life Literacy Canada in 1999 and held annually on January 27 to raise awareness of the importance of reading and engaging in other literacy-related activities as a family.

Taking time every day to read or do a learning activity with children is crucial to a child's development. Even just 15 minutes a day can improve a child's literacy skills dramatically.

Barbara Reid, award-winning Canadian author and illustrator, is named Honourary Chair of Family Literacy Day 2018!

<https://youtu.be/k0SF5XG1AkA>

As part of our literacy focus, a **SNUGGLE UP AND READ DAY** has been planned for January 25, 2018.

On this day, staff and students from K-Grade 8 are invited to wear their pajamas to school and participate in this event. Parents, guardians and grandparents are invited to come to school (9:30-10:30) and snuggle up with their child (K-Gr 3) to read favourite books or play a favourite board/card game.

Mrs. Richardson will also be coordinating the annual STTH Book Swap for Tuesday, January 23, 2018. Students are invited to bring books from home on Tuesday, January 23 and swap

with friends. All books will be put on display for swapping time!

Remember to check out TumbleBook Library, a completely free online catalogue of read aloud books that are sure to delight both young and old alike. Free access is possible through the Hamilton Public Library with an active library card.

BEFORE AND AFTER SCHOOL PROGRAM

St. Thomas the Apostle Before and After school program is a school-based Catholic Child Care program designed to support and complement the programs of St. Thomas the Apostle Catholic School. We provide care for children attending school all day from ages 4 to 12 years of age. The program offers a variety of activities which includes recreation and games, arts and crafts, reading, music, time to work on homework and free time for the children to pursue their own interests in a safe, friendly environment. Please contact the program through the main office of the school (905) 523.2328 or the Before and After School Program (905) 525-2268 Ext. 2628 for more details on how they can support the child care needs of your family.

Thanks as always to Miss Sydney and her amazing team for providing excellent care and rich opportunities to support social/emotional/cognitive and physical development.

GRADE 8 GUIDANCE - High School Choices

The Grade 8 students have begun their preparations for high school and will be completing their course selection and registration forms shortly. Please keep in mind that Catholic Education and the Christian community experience does not end with Confirmation in Grade 7. The religious education and training as well as the community experience offered by St. Mary CSS, our Catholic feeder high school is one that is unparalleled. Last year, many of our Grade 8 students made the choice to attend St. Mary Catholic Secondary School. We hope and pray that our families will continue to make this choice. St. Mary CSS has been very proactive in meeting the needs of the Flamborough community-often fine tuning their level of service to meet the unique needs and requests of our community. We have enjoyed and flourished in the community building days hosted at St. Mary Catholic Secondary School and will continue to do so in the weeks and months ahead.

The Grade 8 option sheet and registration day is scheduled for Friday, January 12, 2018. St. Mary CSS staff will help guide our grade 8 students through this process during the school day.

CYO BASKETBALL AND VOLLEYBALL

All the best to the Junior/Senior Boys' Basketball Teams and the Junior/Senior Girls' Volleyball Teams. League play commences in January. Visit http://cyo.on.ca/?page_id=133 to see full schedules. Thanks to Mr. Stechey, Miss Moulden, Mr. MacLeod and Mrs. Detina!!!

STUDENT SAFETY and ACCESS to the SCHOOL

Access to the school is provided via a remote access camera. Please use the front doors for security monitoring purposes. You will be greeted by someone at the main office and asked the nature of your visit.

For our families that are using the Before and After Care program, please note that entry to the school is granted by the supervisors of the program and the expectation is that you

report to the appropriate room, pick up your child/ren and exit the building.

It is not appropriate to wander the building in an effort to access your child's classroom at this time since all classrooms are locked when staff members depart for the day. The custodial staff cannot afford to dedicate time to open doors for you as we are in a building that requires cleaning in a large number of areas and the focus of the cleaning effort is to clean, not permit classroom access.

First and foremost, this is a security issue and we want to ensure that our custodial staff are safe during the afterhours.

For our families who have children participating in clubs and after school team practices, our club supervisors and coaches have been instructed to escort the team/club members to the middle door off of the parking lot. This will take place to ensure that the children are picked up at the end of the practice/event session by a parent or guardian waiting in the Kiss and Drop lane.

Please do know that these requests are made in the interest of building security and student/adult safety.

GRADE 8-QUEBEC CITY TRIP ON-LINE REGISTRATION

Grade 8 parents, on-line registration and payment for Quebec City is open. Please sign up at <https://www.explorica.ca/sign-up.aspx> using the Tour Centre ID provided at the parent meeting. If you have any questions, please contact Mrs. Shannon.

HEAD LICE - Reminder

A case of head lice is not a reflection on the state of cleanliness; it is a reoccurring problem that is easily transmitted. Head lice spread easily through direct head-to-head contact and indirectly by sharing things like hats, combs, hairbrushes and headphones. Head lice that live on people do not live on pets such as cats and dogs.

When checking for head lice, use a bright light. Use a magnifying glass if you have one. Spread the hair with a comb and look at the scalp. Lice crawl very fast, but they do not fly or jump. Also, look for eggs on the hair close to the scalp. They are often found on the hair behind the ears or where the hair meets the neck. Look for open sores and scabs on the head.

For more information, contact Hamilton Public Health Services (905)546-2489 or <https://www.hamilton.ca/public-health/health-topics/head-lice>
